JANUARY 2018

Dear Parents/Riders:

Happy New Year! Make your riding skills goals! Only six more weeks of winter weather! We have been fortunate with a warm December but cold weather could hit soon. Please dress warmly. With the correct clothing we are not that cold! On super cold days we do part of the lesson indoors if needed and may reduce the time of riding if it is below 30 degrees for the younger children. We work on level skills that are instructionally very needed and we still try to fit in some riding time if it makes sense. The time will be well spent. We are impressed with the dedication and love of horses that our students demonstrate in spite of the cold weather. You are always welcome to send riders with items to heat for themselves in our microwave! Please be on the lookout for emails if we need to cancel due to severe winter storms, ice, etc. We will make that call hours in advance.
