### NEW OPPORTUNITIES

#### HORSE OWNERSHIP PARTNERSHIPS or LEASE DAYS

Currently we don't have any joint partnership opportunities but  
we do have lease days available for Sunny, Trip, and Satchmo

**Do you need to join IEA to letter in High School?  
There's another alternative. You can be part of the**

### **United States Equestrian Federation Athletic Lettering Program and you can start in middle school too!**

Available for Students in Grades 5-12

This is a great alternative to students in our program who  
may not want to do IEA but do want to be recognized as an  
Equestrian athlete. We can help you do this. You don't have  
to be a record setting quarterback, point guard or track star  
to letter in junior high or high school sports anymore. The US  
Equestrian Federation is writing a new chapter in the  
recognition of student athletes – one that honors Equestrians.  
Being a part of this program will be a great opportunity to  
demonstrate your commitment and can be included with future  
college applications or future resumes. The US Equestrian  
Athlete Lettering Program is open to equestrian athletes in all  
breeds or disciplines, English and Western, who are currently  
members of US Equestrian or become US Equestrian members.  
Students participating in the program need to record 100 hours  
of riding or training and three competitions of any level or type  
to complete the requirements for that year.

**The program runs from June 1-May 31 of each year  
and will honor those who document their training and  
competition involvement by awarding emblems & pins.**

**The Equestrian Reserve** riding lesson program, camps and  
show team participation in at least three RHSC shows in a year  
can easily add up to the required hours. Talk to Donna to find  
out more about this. We have packets you can pick up.

**It is starting to get warm during lesson times. Please  
remember to send a water bottle to lessons or to bring \$ for  
the soda machine which has various Coca Cola products,  
Dasani waters, Powerade.**
